The evidence to keep before you report

For each piece of content, tick as you go. Take your screenshots first, report afterwards.

- [ ] 01 The full address (URL) of the page, the profile and each post
- [ ] 02 The date and time you saw it
- [ ] 03 The account or site name, and its exact handle (@name)
- [ ] 04 A screenshot of the whole page, with the address bar if possible
- [ ] 05 A close-up screenshot of the content, the profile and the comments
- [ ] 06 For a video or a story: a screen recording, unedited
- [ ] 07 The messages you received, with the account name and the time of each one
- [ ] 08 The people who saw it and can confirm it
- [ ] 09 The references of your reports (email, case number, date)
- [ ] 10 Everything saved in two places, files named with the date

DO NOT

- ✖ Never edit a piece of evidence: work on a copy.
- ✖ Do not put intimate content on a public web archive.
